OUR BUSINESS MANAGED MOBILE VAS

E3X WAVE is the mobile platform development and innovation brand of E3X Group. WAVE has over 1 million mobile clients who use our content and solutions and the numbers are growing by the day. In 2010 E3X ventured in to mobile platform for Value added services and launched our most unique platform “**Ākāshvāhini™**” (**Ākāsh – vāhini**), world’s first interactive personalized astrological forecasting system.

Currently, WAVE offers a wealth of premium VAS content, mobile applications and mobile platforms to Sri Lanka, Australia and Singapore. We are now connected with over 300 mobile operators and tier one route operators worldwide enabling us to provide direct connectivity to over 125 countries. Our clients can use this platform in different ways including from voting to reading news updates or promotions to bulk sale promotions and more. The company has elite mobile billing solutions that use IVR payment Premium SMS and WAP billing options.

Mobile Innovation brought by E3X Group is a manifestation of continuous and unwavering dedication and excellence of E3X WAVE. We have been paying specific attention to our clients’ needs to provide high quality services and absolute satisfaction.

OUR BUSINESS CREATIVE SOLUTIONS

E3X CREATIVES is the media production arm of E3X Group. For years, we have been a reliable partner for clients wanting to produce creative advertisements, television / radio programs, animations and video productions. Hence, we guarantee the most creative work that will give you an edge from your competitors through TV, radio, and press creations.

We perfectly understand that owning a business today needs a lot of effort in ensuring that it gets promoted and its reputation is well built up. Our expert marketing strategists will show you how to market your products and services in the best possible way while taking advantage of advanced digital promotional mediums. It is our specialty to create the best adverts and marketing campaigns in order to successfully market your brand to your focused audience with powerful features.

With years of advertising and marketing experience, our media team has been recognized as one of the most innovative and creative group of people in the industry today.

PARTNERS

E3X GROUP has joined hands with biggest giants in the world of telecommunication, satellite communication and creative media. We establish strong bonds with our partners. We treat them as a part of our growing family. With our desire to provide best services and high value, we have established partnership with people and organization that specialize on certain components, who are highly imperative and reliable. They push us towards achieving our goals.

Together with our partners, we focus on providing cost competitive and high quality services to our clients. Our company is always also open for more opportunities, and welcome new partners to our growing family to enable us to leverage our broad expertise in all our business arms and ventures.

LEADERSHIP VICE PRESIDENT & GROUP COO

SAMADHIE BANDARA or more loveably known as Sam is E3X's co-founder and the Executive Vice President & Group Chief Operations Officer, reporting to GCEO Amila Kankanamge and also serving in the E3X Board of Directors.

Sam oversees E3X's industry-leading content stores including Mobile Platforms and SatCom operations and the revolutionary Astrology platform services. Sam's team has an excellent track record of building and strengthening services to meet and exceed the high expectations of E3X's customers.

She is a very young industry enthusiast and leads a large organization of amazing people. Sam played a major role in creating the E3X Akashvahini™ mobile platform service in 2011, the WAP wallpapers Store in 2012 and the Android App Store. She also played a key role in developing E3X's award-winning Astrology suite of applications. In her early years at E3X, she was a successful manager of customer support teams. Sam earned a NCC higher national diploma in Computer Science from Edexcel London
